Please introduce the OER initiative
at your college.

What was the motivation?

Some faculty are hesitant to adopt OER because of concerns about quality.

What is your experience?

How are you engaging and supporting faculty in OER adoption and development?

What's working?

Bonus Question:

How has your teaching practice changed?

Bonus Question:

What policy and process changes have you made or will make to promote OER adoption?

Bonus Question:

How are you engaging students?

Thank you!
