A whisper in the shadows, a whistle in the trees.

There's singing in the meadows, dancing in the seas.

Shouting from the tops of mountains; a listen to the cry in need.

There's sounds of music in the thunder, lightning above the weeds.

A wind blows the branches; a leaf decides to leave.

The clouds begin to move away; darkness tries to flee.

A shadow traps the sun; the moon is set free.

The sunlight peaks through; a rainbow is seen.
