#### Bevelle: Spin to Spiral

# Spin to Spiral

## Angelica Bevelle

He says, join me in a drug hazed craze On a foggy vampire day While demons flock like moths To the bright eyes of a smoke filled sloth. Magic pills taken with some gin Make the colors run and the world spin

He promises limp limbs of dead trees Could be rainbow snakes at my feet My blatant refusal brings a frequent request To avoid this man I try my best And yet he returns with his daily temptation Let's sit, he says, and spin

Daily I learned to expect him here But one day he randomly disappeared Missing like a child on a milk carton He fell too far into his temptation What happened to him is something I already know. His cycle changed from spin to spiral.
