## Existence Exists

Kelsey Figiel

Judgment.  
The word that has turned our world upside down  
And turned it around for the better.  
The color of skin  
or the God we believe in  
always  
judged.  
Somewhere it says that  
All men should be created equal  
But anyone with an equal  
or lesser value than the average man  
whoever and  
whatever average man might be.  
The perfect world exists  
But in its existence  
man cannot exist.  
The words we say will slay  
Any man who lets it in.  
But the only reason to fight judgment  
is with judgment.  
So we'll stay and we'll slay forever  
and exist in that  
non-perfect existence  
until existence ends  
and all perfect things  
can finally exist.
