We're arguing internally
We're arguing eternally!
He wants out, this beast within me
I want out, I want to be free!
Ravenous in his desire
I burn with hate, burn like fire!
The side of me I can't escape
The same side that will watch you break!
He taunts, he presses for control
To shatter your heart, claim your soul!
Leave nothing left but horrid rage
I'm predator and you are prey!
He has to stay, kept deep inside
Why do you fight, why do you hide?
This is my nature nevermore
Go back to what we were before!
I was the monster I now fear
But now you're soft, we disappeared!
There's only me, you're nothing but
A fantasy you conjured up!
It's what I say, to keep you down
To keep me locked beneath the ground!
Inside my heart, clasped within bone
To rot and die as one disowned!
I let you free for far too long
Once there was us, once we were strong!
Every morning I was waking
To what we were undertaking!
Nightly carnage that we beget
With evil thoughts and dark intent!
But now those days are gone and black
I want them here, I want them back!
Not again, for I have command
No! You're weak, you're just a man!
I resolve not to let you loose!
Your will tightens, just like a noose...
You see it yourself, feel it too
Those days are gone, my time is through...
No more control, no more release
You are master, and I am beast...
You're weak, and now I'm unafraid
You're predator, and I am prey...
The roles turned round, the roles reversed
The cursed man free, the free beast cursed...
I won't surrender to this pain
You're predator and I am prey...
You won't take me, won't get away
You're predator...and I am prey.
