ENGULFED

The Gulf's gentle waves
calm the soul and lull the heart
away from the world.

The mind is beckoned
into reflective depths where
creativity floats in.

The middle distance,
dressed in its emerald green,
meets the pearl-white shore.

There, castles are built.
Pails of hopes and dreams poured in;
countless as the sand.

Playful architects
scoop 'til sunset or high tide comes,
or vacation ends.
