BRADLEY BURTON

i am horus

See how I shall become the sun
Yet rays of darkness shall I sprout
A blackened sun shall shroud the sky
With rays of darkness, Pain and doubt

In darkness shining shall I stay
Until the moonlight breaks the day
Bathed in moonlight earth shall cry
As you find solace, so shall I

In blackened comfort shall I stay
Until sweet Luna breaks the day
Until that time view with heads spun
See how I shall become the sun
