Clock Maker

Solo, I am clock maker
born September 22nd,
a Virgo/Libra mix insane,
look at my moving parts, apart yet together,
holes in air, artistic perfection,
mechanical misfits everywhere,
life is a brass lever, a word-smith, an artist at his craft.
Clock maker, poet tease, and squeeze tweezers.
I am a life looking through microscope,
screen-shots, snapshot tools,
mainsprings, swing pendulum, endless hours,
then again, ears open tick then a tock.
Over humor and the last brass band,
when I hear a hair move its breath,
I know I am the clock waiter,
the clock maker listens –
a tick, then a tock.
