## Angel on Ice for a Skating Pair

Ice of pearls valleys of snow  
Floating free on  
magic of violins. They rise to the moon  
as Piano dances without forgetting.

Her turns open like moonflowers. Notes flow  
through her, live through her  
while white doves slip to the skies.  
Struck by tympani, she whirls—lost in love.

Her leaps are lightning  
melted to silver rivers.

Ice of diamonds daydreams of snow  
Violins fly on searching ivory wings.  
They lift her above gravity and time  
anything made of earth.
