## Night Sky

Do you ever lay awake at night  
Thirsting for a wondrous sight  
All you have to do is look at the moon  
Get lost in its marvelous swoon  
Then look at the stars,  
you might even get a glimpse of Mars  
From your bed you can get lost in space  
It's no wonder this place caused a race  
Take in the night sky's vast and mysterious might  
Now that is a wondrous sight
