# Colophon

Twice a year for publication in the December and May issues, all students, faculty, staff, and the College of DuPage District 502 community are invited to submit up to four creative works per entrant of original fiction, nonfiction, essays, poetry, graphic essays, black and white/color photography, and 2D/3D artwork of any medium. A class of student editors who are enrolled in English 2210 reads blind entries before making final selections through a numerical voting system. The class is guided by a faculty advisor, who additionally leads the hiring process for the officer positions of Editor-In-Chief, Production Editor, and Marketing Editor. Final edits are approved by the editorial staff before the finished product is sent to the printers near the end of the semester.
