Scars sing stories of the schooling
muscle and sinew seams confessed
dance until your sweat is pooling

Again and again the music grueling
and again the pleading arms outstretched
dance until your sweat is pooling

Ringin' stopped, dead air is cooling
balls of feet allowed to rest
scars sing stories of the schooling

Deafening sounds of techno ruling
movement's choreographer obsessed
scars sing stories of the schooling

Two by two and four are dueling
who can now survive the test
dance until your sweat is pooling

Music fills the tank's refueling
rises, to the heights possessed
scars sing stories of the schooling
dance until your sweat is pooling
