Exploration of a Dreamer  
*Ashley Curtice*

Looking to the stars,  
they're calling me.  
I can hear my name,  
floating,  
through the vast universe.

Wanting to be up there  
in the celestial abyss,  
to frolic in my dreams  
and explore the unanswered questions  
of this wondrous place.

My heart flies up to the sky  
to dance with the moon  
as we watch the earth spin by.  
The things we could uncover  
gives me child-like excitement.

My heart and mind merge together in harmony,  
on an epic journey through the darkness,  
while my feet stay planted on terrestrial soil,  
never hearing the countdown for takeoff.
