Imagine

Rushing and bustling
nonstop hustling
it creates nothing inside
but internal tussling.
Emailing and messaging
IMing and inboxing
leave no room
for my mouth to your listening.

Imagine the world
with your phone turned off
with eyes wide open
and your soul turned soft.
Imagine the feeling
the feeling of Being
of being the imagination
that the world is needing.
Imagine the person
who yearns for your hand
to let go of troubles
and to leave this land.
Imagine the place
that leaves no trace
of a virtual self
or a physical wealth.
Imagine the you
the you that can do
all the things

that you never dreamed to.
Imagine the impact
that blows all minds
that creates a new purpose
for man of all kind.

Beeping and buzzing
tedious combusting
networking and connecting
with no real investing.
Peace and inventing
with ideas innovating
leave a universe of room
for mindful unendings.
