BEYOND THE MOMENT

Roberta C. Stewart

"I believe you can find inspiration everywhere - and at any moment"

Oprah Winfrey

"If it were not for him, I don't know where I'd be today."

Fernando Pullam regarding Marcellus Brown

I saw a black man
hug a black man
hug a whole generation
making music
reaching into and beyond
borders of despair
putting music in
sidewalk cracks
in concrete communities
surrounded by rusted chain link
setting rhythms in
shoes on children's feet
sending vibrations rippling
past galaxies of time
making music
in the children
because a black man
hugged a black man
hugged a whole generation
and beyond.
