Mouse in the Mirror

by Diana Hatton

It turns
and moves with me
It copies
my activity
I think I see
a mouse I do not know

It does not look like
my friend
who lives with me

enemy
Could it be
a mouse I do not know

I place my paws
upon the see-through wall
to get a better look
you see
at this mouse
who is string back
at me
who does not have a smell
Maybe it is not
a mouse at all
The thing that is in
the see through wall
