Stay the Night

The gentle touch of your hand
against my face
Our fingers intertwine
as if we never want to let go
Just let me lay here a little longer
The warmth of your body
is all I have
I slowly go to sleep
and as I wake
I feel your sweet lips against mine
You whisper in my ear
that you never want me to leave
and in a whisper I reply
I don't want to either

-April Priban
