Hope

Jenna Pederson

Hoping for a better day is pointless
I will never tell my friends
To hope for a better day.
No one understands life
In this world
There are the wealthy
That's who I aspire to be.
There are those who help the poor.
I'd hate myself if I ever became one of them
In this world there are terrible people
That, however, is incorrect
People who believe in hope are stupid
We live in a world that claims
Dreaming of a new world
Like hoping for change
Will never work
Doing nothing
Is what's right
Hoping
Is nothing
Money
Is what we want.
Hope,
We'd understand hope
If we saw the hidden messages
In life
