Pinked Parked and Ponked

Lavender blue,
dilly dally,
nosepicker pink,
just be a Queen, baby,
nothing will stink.
I remember, right back to.....
Say when, I think,
I left Indiana
an' them colors that wink.
Now they ain't only trailers
what wears Taffy pink.
How my vehicle teeters,
Baby, on your brink.

-Patrick Cunningham

Sleeping Beauty

A yearning.
A craving.
A knowing of existence.
A throbbing.
A mental cry for you to enter my system.
A means of the night time.
Coherent, but gone-spacey withdrawn.....
an ageless stand-by that satisfies all.
I beg of you,
I implore!
Enter my system-
I need more.
Purify my thoughts.
Beautify my environment.
Pain and suffering abolished;
The numbness overtakes my spirit.
You can kiss me on the lips,
But, don't expect the spell to be broken.
Sedate me.
