I Live in Music

I live in music
The world sounds like a melody
My heartbeat is a metronome
Forever ticking
Happiness is tremendous crescendos progressing to a forte
But heartbreak sounds like panisimo
Resting for infinite measures
I live in music
My life is a beautiful melodic chord
There are some flats
There are some sharps
But the chord is very delicate and sweet
My love for music is like a symphony
Filled with thousands of harmonious violins
I live in music
I live for music
I am music
