## *Classic 70's Chick*

Classic 70's chick  
scent of these times  
gold digger want to be.  
Poet & scholar stuck on  
T.S. Eliot "The Waste Land."  
She tracks down a few stray men,  
prospect hunks, & greenback dreams.  
Her long legs stretched out beneath this dinette table, these  
high wooden heels hang out  
@ Dusty, Dingy Bar & Grill.  
She's drenched— Charlie by Revlon 1973,  
high hopes & sugar daddies,  
fragile body, insecure but lean.  
She wears that hot apple, sex red, jumpsuit.  
That yellow bandana hangs  
around her neck lowered downtown  
below her bosom with a grin.  
Her head stuff, insulated with cotton candy dreams  
cramped in a Chinese fortune cookie aphorism.  
G-String strung up itching @ her buttocks  
positioned in spot her world for a change.  
In action verbs flow,  
this dance, these melodies,  
Walt Disney world,  
her magic pen, her ink that flows.
