DEMOCRATIC EARTH

*weaving the web of life ever deeper
through mystical phrases of poetic justice
to hard core financial undertakings
them there saying what a crazy genius!
we here living mellowing influencing.*

*them there seeing moving gaining.
we here just several steps advanced.
them there, oo, the competition gets rough.
we here, ha, wrote the game.*

*for we're not afraid to die.
to sacrifice all for liberty.
we'll manage a corporate dynasty,
or build one from scratch.
we'll keep the world for the good for ever.
