WHO'S AT FAULT

Mayhem, pandemonium
total chaos, bedlam, devastation.
A soft, soothing breeze turns
into a whirlwind, a tornado causing
death, destruction and unimagined misery...
Is it the fault of the fair wind?

The life-giving rainfall
cool, refreshing, revitalizing,
turns into a rainstorm, a fierce
thundershower and lightning
spawning flash flood, landslide
with catastrophic consequences...
Is it the fault of the water?

A common man
good, God-fearing,
eking out a simple livelihood,
living a frugal life sparingly,
thrifty and weak-willed.
When politicians and priests
wreak havoc in his life and
he turns violent, causing terror...
Is this the fault of a mere man?
