# Kreger: Farm House After Dark

A photograph of a two-story white farm house at dusk. The house is the central focus, with several windows visible. To the right, a smaller barn is visible in the background. The sky is dramatic, with long, horizontal streaks of light and dark clouds, suggesting a long exposure or time-lapse effect. The foreground is a mix of grass and a dirt path leading towards the buildings. The overall mood is quiet and atmospheric.
