To Your Knees

I know your pain is real.
And it's still here.
You think I've given you more than you can handle.
You think I've given you more than you can take.
You fear that you are going to ...
Break.

You buckle and fall.
To your knees you surrender.
You think you're alone but you find
I'm there.

For when I drive you to your knees,
You're safe as you can be.
I have you in the palm of my hand.
Holding you.

I hear you cry out to me.
Why don't I take it all away?
Why can't your life be free of despair?
Why do you have such pain and strife?
Why do I allow this ...
In your life?

You buckle and fall.
To your knees you surrender.
You think you're alone but you find
I'm there.

For when I drive you to your knees,
You're safe as you can be.
I have you in the palm of my hand.
Holding you.

I've always been there
Holding you
In the palm of my hand.
