The Garden of Eden is Beneath My Feet **Briar Jameel**

I dream of abundance
Spend my hours fantasizing
About a future unknown.
Meticulously planned,
As if daydreaming will ensure a life free of suffering.

So, today I remind myself of my finiteness.
I will gaze upon the winter sunset with awe.
Perhaps I am already abundant.
Full with all that I need.

Solitary,
Davaajargal
Tsogtgerel
