**Honey Sweet Gold**  
**Tegan Merrick**

My head is full of lead  
Somebody unscrewed my skull and loaded it with gold bars  
Closed it up and  
Took a flame to my face  
Like a welder molding iron  
Glassblower with his white hot coals  
Burning and burning until my skin melts off  
And my hair goes up in flames  
Till there's nothing left of me  
Besides a skeleton  
Leaking honey sweet gold
