**A patch of golden sunlight where it rains  
Khadijah Rashid**

A patch of golden sunlight  
A secret outing one night  
A patch of golden sunlight where it rains

Always looking for more  
I watch through the garage door  
Naturally memorize a web of names

Try to soak in the moment  
Catch a lightning bug and hold it  
Seems that there's no growing without pain

The past is looking better  
After the soil is wetter  
And it's okay that we'll never be the same
