Toreeva: Old Man

One where we cry at graduation
Where the beach is our sacred place
Where we're each other's salvation
Where you gift me a ribbon made of lace

I wonder if we'd still choose the same
If we were meant to fall apart
A wretched friendship, a dying flame
If I was destined to break our heart

There's a universe where we're buried as one
Yet not buried for our want
You know I'd love you in every planet
Even if I wouldn't want it.
