From *Book of the Georgia's Woodlands*.

Book of the Georgia's Woodlands

Book of the Georgia's Woodlands is a comprehensive guide to the state's forests, covering everything from the state's most common tree species to the rarest. The book is written in a clear, accessible style that makes it easy for anyone to understand the importance of our forests and how to protect them. It is a must-read for anyone who loves the outdoors and wants to learn more about the natural world around them.
