Myriad of the world's
wonders,

A look of wonder fills his eyes
as a long, colorful ray beams
down from the ceiling's top,
made to be spread out on the ground of white lines,
strong right to the ground's ends.

The bright spots of flowers,
whispering words of joy and delight,
dancing in the air, but not moving
when the sun's rays shine down,
like a fire that never dies,
burning bright in the air,
and the sun's rays shine down,
like a fire that never dies,
burning bright in the air.

Flowers dancing and moving and their words,
the brilliant rays of the sun,
with the sun's rays shining down,
like a fire that never dies.

The sun's rays and the sun's words,
like a fire that never dies,
burning bright in the air,
and the sun's rays shine down,
like a fire that never dies.
