Hatten: Pearls and Diamonds

...Now I beg of you my friend
Listen to my plea
Never speak a word of this
It must stay with you and me

For the magic of the Sasquatch
Lies in the mystery
So I leave you now with a gift my friend...
A reason to believe...

Pearls and Diamonds

MoniKea Hatten

Life is an unknown abyss
The deep draws you near
Creature of the night and a rebel drawn to the dawn of a new day
Wondering what’s to come but hoping for little change
Wonder is left to decay the mind
Judgments are left untamed and pierce through the soul of time
Why leave the comfort of this unknown abyss?
Why can’t we stop the pattern?
Breaking the cycle will be to ambiguous
The lust of Life will draw us all to vision
God forbid we are drawn to vision
Seeing more of the unknown will swallow us whole
Comfort is appeased
Pain is shunned for the sake of Life
Life is no more without passion of another kind
Minds are crumbling impetuously
Stop! Look at the Life that could be
Life that will hurt and cause change
Life of the past, present and future,
One that can fulfill not only yourself but the universe
This Life is pain only if you have vision
Life without pain is cursed with poverty in spirit
Take place in the circle of Life
Indulge in pain and the ambitions of Life!
Life with pain is blessed with character
God bless the Pressures, Irritations, and our Ambitions
Beautiful, aren’t we?
Forced into Pearls and Diamonds of trade
Priceless, are we not?
Only hunger for the desirable abyss
Precious aren’t we?
Only with Ambition
