## Rome

I want to see Rome.  
Long to experience its beauty and magic.  
I want to go on a random adventure  
no cares except exploring the world around me.  
I want to really fall in love for the first time,  
this time with someone who won't break my heart.  
I want to be truly happy,  
even just for a moment.  
There are a few things on my bucket list.  
Not very many, but things I've long dreamed to see and feel.  
I want adventure,  
I want to find true love,  
I want to be happy,  
I want to see Rome.
